Waterton Hall is a magnificent private historic estate and is the home of **Waterton Hall Wines**. The Hall, historic outbuildings and surrounding vineyards enjoy sweeping views of the Tamar River, Northern Tasmania, 40 minutes north of Launceston in the gorgeous Tamar Valley. The pristine river banks and enchanting Boathouse provide the location for this wonderful food & wine collaboration and truly memorable dining experience. Imagine the tide lapping or the sun setting as you are finishing a 3 course gourmet lunch or dinner with an incredible dessert matched with the delightfully rare Waterton Hall Viognier. In season, and menu dependant, the adjacent stone fire pit forms part of the preparation and cooking providing a back drop of 'theatre' for you and your dining companions along with the lapping water of the soothing Tamar River. *All inclusive lunch or dinner with so many highlights! (including canapes, amazing local produce and our beautiful wines of course!) – you do not need to lift a finger, your personal chefs and wait staff will do it all!*

Renowned Launceston based caterers **Hubert & Dan** will tailor your food to create a memorable experience all about you and your friends.
